The coastline lies squarely in  
the path of the Gulf Stream  
and offers unpolluted waters  
giving exceptional visibility  
of 20+ mtrs on good days  
but less of course after  
stormy conditions.

The many offshore islands  
provide great shelter with a  
colourful underwater flora  
and fauna.

During your boat ride you  
might see dolphins,  
porpoises, seals, migrat-  
ing whales, sunfish, bask-  
ing sharks and leatherback  
turtles.
